

## **Kidston reboots The Avengers and yes, there's a diabolical mastermind**

25 August 2018

Alex Easthope

Kidston has rebooted the cult 1960s British television series The Avengers, complete with a cat-stroking villain, a pretty heroine who's a dab hand behind the wheel, and a plethora of stylish British cars. Disclaimer, 'No animals or cars were harmed in the making of this film. - just tyres...'

### **Total immersion**
