Description

Located in Saint-Rémy-de-Provence, this fully restored farmhouse at the foot of the Alpilles presents 13 hectares of grounds and modern levels of comfort. It comprises an air-conditioned farmhouse and a heated swimming pool secured by a shutter. Fully renovated in 2015, this beautiful building has retained its authentic architectural features (mullioned windows, stained glass). Spread across two levels, it is distributed as follows: GARDEN LEVEL: the entrance leads on the right to a fitted kitchen and utility room. Opposite sits a large dining room with a table for 12 guests, adjoining the kitchen and other rooms. On the left, a large living room with piano, fireplace and television. To the right of the dining room, a small TV lounge, then a large bedroom with shower-room and WC. Other than the kitchen, all the rooms open out to the south, onto a large terrace

in the shade of the plane trees with a large dining table. UPSTAIRS: five bedrooms, each with its own bathroom. The property presents all the comfort and facilities required for a great holiday among friends or family: fully air-conditioned, Wifi, TV, washing machine, tumble dryer. MAINTENANCE: 3 hours of cleaning per day, 3 days a week. Onsite caretaker.
