We would bid on these 10 cars from RM Sotheby’s in London

Lead

With Monterey Car Week, Arosa Classic Car, and Concours of Elegance just gone and the world-famous Goodwood Revival looming, this is definitely the most exciting time of the automotive year. The RM Sotheby’s London sale, taking place on 5 September, is another event not to be missed...

On 5 September in Battersea Park, 84 lots will cross the block at the RM Sotheby’s London sale, ranging from a 1975 Acoma Mini Comtesse three-wheeled truck estimated at £5,000–10,000 to an Aston Martin DB4GT formerly owned by Peter Sellers and expected to fetch £3–3.4m. In between, there’s an eclectic mix of iconic classics, oddities, modern collector cars, and a Lamborghini Miura that once belonged to rock legend Rod Stewart. We’re particularly taken with the postmodern Italo-designed cars such as the De Tomaso Guará Spyder (est. £150,000–200,000) and the boxy Alfa Romeo SZ (£40,000–50,000). And just how cool is the Abarth 2200 Coupé from 1961? You can find our 10 favourites from the sale listed below or, alternatively, [browse the entire catalogue in the Classic Driver Market](#).
