Description

Le véhicule a reçu en 2007 une nouvelle peinture et un check up complet, et est régulièrement suivi depuis, notamment sur la synchronisation de la carburation. Entièrement d'origine, sellerie, autocollants, mécanique, il disposera d'un contrôle technique de moins de 6 mois.

Une belle petite auto, légère et sportive, fiable et surtout l'une des dernières Talbot !

In 2007, this car has the benefit of a new paint and a full check-up, and has been regularly maintained since, especially the synchronization of the carburation. Fully original (seats, stickers, mechanicals), the car will be delivered to the new owner with a less than 6 months controle technique.
A nice little car, light and sporty, reliable and one of the last Talbot.
