EXTERIOR

The E39 Saloon has always been a popular workhorse; refined, practical and robust. As such, many of these models have rightly accrued significant mileage - a testimony to their durability - so a wholly original 40k mile example is quite a rare thing.

Presented in it's gleaming coat of Cosmos Black Metallic, preparation and presentation is of the

highest order having enjoyed the care of our in-house detailing team.

The Shadow line trims that run around the windows prone to age show well, whilst all of the glass is clean with facelift lights clear of clouding or milkiness.

INTERIOR

The cabin presents beautifully with the Sand Beige leather interior providing the perfect partner to the black paintwork. Sports seats offer a considered balance of grip and comfort and remain in first rate condition along with the rears with no noticeable wear to report.

The boot area is spotless and the carpet throughout the car is consistently clean throughout.

ENGINE & TRANSMISSION

Lifting the bonnet reveals an immaculate M62 V8 engine. With sufficient torque to compliment cruising characteristics as well as delivering a decent turn of pace when required; the car is a truly great all-rounder.

The gearbox is smooth and perfectly tuned to the V8 specification.

WHEELS, TYRES & BRAKES

The original M Sport alloys present perfectly having been recently refurbished. These are shod in a premium tyres with good tread.

The braking system is in fine order with plenty of material left on both pad and disc.
