Eugenio Amos' bid to Make Lancia Great Again with his stunning restomod Delta Futurista was arguably the biggest automotive talking point in 2018. If you're not one of the lucky 20 people who've secured a Futurista of their own, you can join the cause with this stunning pair of sunglasses instead. L.G.R.'s classic Reunion Flap shades have been given the Automobili Amos treatment, with a Brinzio green frame, gold mirrored lenses, and Alcantara side flaps. Amos' motto, #MakeLanciaGreatAgain, has also been engraved on the arm. Just 100 pairs will be handmade in Italy, priced at [450 euros each](#).
