Description

This 2000 spider was sold new in Holland to a alfa romeo dealer in Assen in the north of Holland. Now, after 56 years, it stil remains in unbelievable condition. the car is completely original and runs and drives perfect.

it's not very often that one comes across a non California Alfa with a original unwelded body and skai interior that is stil the same as it left the factory.

never repaired or involved in an accident with nice thin panel gaps.
