### Description

---

This Jaguar E-Type has been restored in recent years and is in a neat, driving condition. Both the interior and exterior look good overall. There is a photo report of the restoration. The car has had a KTL treatment. Furthermore, the car has a Jaguar Heritage Certificate. The car is matching numbers. Originally the car was delivered new in America. In the 90s he was imported into the Netherlands. He was exported a few years ago. The Dutch export documents are present and there is a Belgian Application for registration. To get a good idea of the lot, we advise you to come to one of the viewing days.
