Description

This is a very unique Frazer Nash that was offered at the time as the replica for the 1934 model and was built in a very limited edition on the Basis of a Volkswagen with a 1.5L engine. The car comes directly from America. History: Kit Car of the unique "Frazer Nash TT Interceptor from 1934 redesigned by H.J. Aldington to the original configuration of Frazer Nash. This is the car that established the race standards in the 1930s. Only very few were produced, so it is rare and almost impossible to find an original car. That is why this extraordinary car was selected to build a replica of this. Built with: Wooden steering wheel, 16 inch model A spoke wheels, Flip-down windscreen, Soft top, OOH-GAH horn, etc. To get a good idea of the lot, we advise you to come to one of the viewing days.
