### Description

This Volvo 480 ES Coupé Turbo Automatic from 1992 is in a moving condition. The car was made especially for a Dutch expat who lived in Saudi Arabia. This type of car was delivered from September 7, 1990 to September 1, 1992. Since 1996 the car is back in the Netherlands and it is on license plate. The petrol engine has a maximum power of 88 kW (120 HP) and a displacement of 1721 cc. This is the luxury version with Cruise Control, Airco and more. As far as we know, only two copies are known in the Netherlands. There is a stain on the roof of the car, possibly by burning in the sun, which can be restored at the sale (if desired). The car has a top speed of 190 km per hour and reaches the 100 km / h in 11 seconds from standstill. The APK is valid until 10-07-2019. To get a good idea of the lot, we advise you to come to one of the viewing days.
