- **Exterior colour** Black
- **Car type** Coupé
- **Interior brand colour** Beige
- 

### Description

Transmission: 5 gears, Manual gearbox

Model year: 2022

Registration number: DZ-72-31

Fantastic looking 1954 Alfa Romeo 1900 CSS 'Super Sprint'. It was supplied to the Swedish Alfa Romeo importer Bonnier in Stockholm on the 21st December 1954. Mr Jo Bonnier was a Swedish F1 driver as well as being the Swedish Alfa importer. Only 854 Super Sprints ever went into production. In the past this car has benefitted from a thorough restoration with a keen eye to authenticity. After a full mechanical overhaul by a renowned Belgian specialist, the car performs perfectly. The exquisite aluminium Touring bodywork is in splendid condition. The body panels are straight with a perfect tight fit. The finish and brightwork are simply fantastic. The desirable original 'Nero' finish combines neatly with the tan leather trim. The authentic interior exudes the correct patina. This 1900 SS has a rather special 5-speed Nardi floorshifter, triple carburetors

and a Nardi steering wheel. These upgrades deliver a challenging and sporty ride. This Alfa has matching numbers, is certified by Alfa Storico and is eligible for the Mille Miglia. This is a unique and perfectly presented Alfa Romeo 1900 Super Sprint and that because of the original upgrades, will be a welcome sight at almost any historic event worldwide!
