Drivetrain	2wd	Exterior colour	Other
Lot number	25042865	Car type	Other

Description

This classic car is for auction at online auction platform Catawiki. Please click [here](#) to place a bid and to find more information about this. This Austin Healey 3000 MK 2 BJ7 with overdrive is in good driving condition! It came from the USA and went to the Netherlands in 1988, and the last owner owned the car ever since that time! It still has the original colour scheme: Old English White and black leather interior with white piping. In the past, this Healey was extensively restored in great detail, both the body as well as the technical parts. As part of the restoration, a lot was replaced or renewed, for instance: the electrical wiring harness, new wire rims, new fuel tank, new upholstery, stainless steel exhaust, etcetera. Recently, most of the engine has been revised and fitted with new pistons, improved type of cam followers, new spark plug cables, ignition coil, cooling fan with 5 blades. Gearbox, overdrive and steering rack revised in 2015/2016, performed by Austin-Healey specialist Von Münching, invoices are available. The chassis is rock solid, furthermore, the car is honest and has the right fittings. The original soft-top, which was delivered in 1962, is still mounted on the car and is in a nice used condition. Some repaired holes, see photos. Paintwork overall shows some small barely visible blisters, enjoyable in this condition for many years to come, but should be repainted if you want perfect paintwork. We recommend viewing the car prior to placing a bid in order to avoid disappointment. Technically, this Healey is in a well-maintained condition and it is a pleasure to drive! Invoices regarding revisions, new parts, repairs, Dutch periodic vehicle inspection and even the down payment document from 1988 present! Dutch periodic vehicle inspection valid

until 2 October 2019. This vehicle can be viewed and picked up in Oldemarkt, the Netherlands. Bids do not include transportation or export.
