An amazing Mercedes Benz 500SEL. This W126 top class Mercedes Benz is the extended version (by 14cm) with a 5.0 V8 engine. It is a Swiss sourced car in exquisite original condition has just run 53,794 km. It is fully original and untouched. The superb interior trim has been meticulously looked after and is as good as new. The lovely bodywork is straight with perfectly well fitted body panels. The mostly original paintwork is good. The original underbody is again perfectly sound. We rarely see such a low-mileage, genuine example!
