Named in the Car and Driver Magazine's 10 Best list for every year it was on sale, the E36 was an extremely successful marque for BMW. Sold new through Doncaster Motors in Victoria, this vehicle has travelled only 1200km since new. The example was won as a prize car at the Crown Casino in Melbourne, however the winner was unable to drive manual. Subsequently, it was garaged and rarely driven.

Presenting in „ÄBoston Green,Ä over a Black interior, this example is in AS NEW condition. The paintwork is immaculate, and the perfect interior still carries the new car smell. All original factory books and equipment remain with the vehicle, from the factory jack and tool kit to the pen gifted to the first owner upon delivery. This is, without a doubt, one of the best examples in the country.

With such low mileage and in perfect condition, this 318iS would suit any enthusiast or collector, and would complement any garage.

Carrying a number of creature comforts including power windows and mirrors, climate control, central locking and a 6-speaker sound system, the iS model was the top of the range for the 4-cylinder models. These features were combined with a 103kw inline-4, which was the highest output 4-cylinder engine available. Paired with a smooth 5-speed manual these vehicles are a pleasure to drive.
