Description

This classic car is for auction at online auction platform Catawiki. Please click [here](#) to place a bid and to find more information about this. Mercedes-Benz 300 CE 24v Sportline (C124, 1992) in original condition. Car in fair condition, however, needs to be repaired, nothing serious. Cabriolet fabric needs to be changed. and retractable system needs modification. No serious bumps or scratches on the bodywork of the car. Interior leather in good conditions except passenger seat (some wear on the side). Back seat belt needs to be fixed. Mechanically the car runs well, however it is in need of a catalyzer and the hydraulic regulator piece #0000703962. New tyres recently changed. The repair costs are not that big considering the price of this car in good conditions. ITV expired on the 5/10/2018 and has not been passed again. The car is in Costa Adele, Canary Islands (Spain) and can be picked up here in person. (Cost to transport to Cadiz port via boat is APX 500 EURO).
