This classic car is for auction at online auction platform Catawiki. Please click here to place a bid and to find more information about this. Do not miss out on this unique opportunity and become the new owner of this timeless classic Ferrari Targa convertible! This is an auction WITHOUT RESERVE PRICE. The 308 is one of the most evocative historical Ferraris. The Pininfarina design is of unprecedented beauty, even a non-car enthusiast will recognise it. The 308 GTS is the Ferrari with the biggest fun factor and is regarded by many as the most beautiful Ferrari ever. In the 1980s, this model became wildly popular because of the hit TV-series "Magnum P.I.", whereby it quickly acquired its iconic status. This one is in a very original condition (matching numbers engine, transmission and even original interior). The car's paintwork is in good condition, in the colour Rosso Corsa 300 (Ferrari red) but does have some small traces of wear. The car comes with a Clean CarFax. Please note: The odometer was replaced once in the past due to a repair, the Carfax report and the USA title therefore once mention a deviating reading, the original repaired odometer with the right reading is currently mounted. The Ferrari has not been used for a while so there is some overdue maintenance. The engine does start and run, however it does not keep running, there seems to be an issue with the

gasoline supply, this needs to be fixed before the car can be used properly again. The car could use a technical service, given its period of inactivity. It is a low production Ferrari in a rising Ferrari market (of the 308GTSi only 1743 were produced). Don't let this opportunity pass you by and become the new owner of this stunning Ferrari.
