Description

Raymond Weil S.A. turns 43 years old in 2019 and has already defined niche for itself. Parsifal line, launched in 1991, is easily recognizable and enjoys considerable success. Named for classical and operatic music, Raymond Weil's watch collections are simultaneously modern and classical, embellished with luxurious touches like sapphire cabochons on crowns, luminescent pearls on dials, ideal-cut diamonds on the bezel. In recent years, the watchmaker has moved further upscale with introductions of mechanical movements and complications. Raymond Weil "PARSIFAL" is classic Swiss watch-jewel: extremely HIGH quality, extremely NICE design, extremely RELIABLE automatic ETA movement.
