EQUIPMENT

Electric Mirrors, Electric Windows, Rear Wiper, Tape Player, Central Locking, Power Steering, Air Conditioning.

EXTERIOR

This incredible 200SX has been stuck in a 90s time warp and presents as it did when it rolled off the factory production line. Garaged from new and in the care of long term ownership it has been stored correctly, pampered and unmodified for all of its cosseted life. The paintwork is totally original and gleams throughout. Rubber seals, are fresh and soft, lights and glass crystal clear and scratch free.

INTERIOR

The cabin is light and airy, its condition near perfect. The seats are all trimmed in cloth that is 100% free from any wear or signs of dirt, the bolsters perfectly supportive with no sagging. The same can be said for the carpets, dash and plastic trims. The steering wheel leather soft and deeply textured.

ENGINE & TRANSMISSION

Having been garaged from new the engine bay shows very little signs of use, it's incredibly clean with all bolts, nuts and ancillary parts still showing their plating to full effect. Corrosion is of course non-existent with the only signs of use some bobbling on the exhaust heat shield.

The manual box is tight and precise in its action, operating as it should.

A recent full service including belts has just been completed to ensure complete mechanical peace of mind.

WHEELS, TYRES & BRAKES

The alloys are all in good condition, they have never been refurbished with only some light marks commiserate with age. Having worn its original tyres for 18 years these have only just been replaced due to safety and as such the alloys are all shod in a brand new set of Yokohama tyres. The braking system works well with minimal wear to the components.

HISTORY FILE
