Description

This Chevrolet Corvette C1 is fully matching numbers and in excellent condition. The Corvette from 1960 car has been (body off) restored to original specifications and is in a very neat, driving condition. The low mileage can be explained by the fact that with the full rebuild of the engine and drive in the USA it was set to 0 miles. In 2014 the car was imported to the Netherlands and a Top Flight Award was awarded by the NCRS - NATIONAL CORVETTE RESTORERS SOCIETY (96% of 4500 points were scored for a combination of originality and condition). Documentation has been available since 1972, including receipts from the restoration and export / import documentation. The polyester body is in excellent condition. The bottom, chassis, subframes and auxiliary beams are also in good to excellent condition. Nothing can be noticed about the paintwork, it is in good condition. The body seams are all-round symmetrical, in professional terms tight, and the body rubbers are good. The windows are not damaged and are in good condition. The chrome bumpers are in good condition. The decorative parts such as strips and emblems are original and in good condition. The technology is in good condition as far as it can be seen. The entire interior is in good to excellent condition. In conclusion, it can be said that this is a car that is in excellent original condition. A vehicle in competition condition or a top vehicle that can be exhibited. No defects and executed in detail according to the specifications of the year of construction. The MOT is valid until 07-06-2020. An appraisal report is available.
