Description

A unique Honda S800 Coupé. performed in the beautiful color Pewter Gray. combined with a black fabric interior. The car is an original Dutch car that stood for 5 years at a Honda dealer in the Netherlands in 1968 before it was registered in 1973. This S800 was restored in the 90s, a photo report is available. This Honda S800 comes from a collector, who has always maintained the car well. In the past year, the bumpers have again been chromed and a new stainless steel exhaust has come under the car. The car has just received a new MOT and is therefore ready for the coming season. Technical data: four-cylinder in-line engine, DOHC cylinder capacity: 791 cc, power: 70 hp. at 8000 rpm, top speed: 160 km / h, gears: 4, manual, weight: 740 kg. Of the Honda S800 (coupe and cabriolet), 11,406 were built between 1966 and 1970. Many have not survived due to improper maintenance of advanced technology. Toppers are expensive and very hard to find. The clubs receive excellent support worldwide from the Honda factory.
