Description

Lancia Flaminia 2.8 3C Touring Convertibile 1964 LHD

What better moment than at this beginning of the summer to welcome my favourite Lancia Flaminia into my classic car garage? Not just any Lancia Flaminia, but the sleek, very stylish "Chinese Eye" Convertibile designed by Touring in Milano and manufactured in his typical state of the art Superleggera concept consisting of panelling a light alloy skin over a tubular space frame.

Not just any Lancia Flaminia but this most powerful 3C (have a look at the grafically sensational 3C enamelled badge on the bonnet) 2.8 litre version of which only 180 examples were produced.

Not just any colour Lancia Flaminia but this very attractive combination of "Epsom Grey" over dark red leather interior.

Not just any cosmetic condition Lancia Flaminia but this very sound slightly patinated presentation with totally original delightful leather upholstery (have a look at the stunning design of the front seats).

Not just any mechanical condition, but this very well maintained properly sorted Lancia Flaminia in which... you can enjoy Lancias very advanced engineering and... summer! Just hurry-up and come and experience this exceptionnal Lancia Flaminia sensation.

Summer doesn't wait...

Price: 188.000 Euro
