Description

This Opel GT from 1975 is in a very beautiful, unique condition. It appears that the low counter reading of 56,000 miles is original. The car comes directly from California. Recently it was repainted in the original color due to dull paint. The entire body is, and has always been, rust-free and damage-free. The first interior is still present in the car, which is also in a particularly beautiful condition. The Opel has already been technically prepared and inspected by the RDW and has Dutch registration. To get a good impression of the car we advise you to come to one of the viewing days.

This car will be part of an online auction from our location in Uithoorn. Bidding starts at € 1.000,-. There will be three viewing days in Uithoorn.
