We have an extremely desirable 1966 Corvette C2 stingray convertible available. Today, it is as authentic as it was when it rolled out of the factory in 1966. A few years ago it has a professional re-spray. The bodywork is straight with well fitting body panels. Of course the whole car is rust free thanks to the dry climate it was kept in. This C2 has her matching numbers favored 350 PS HT 327 V8 engine. It has a factory fitted 4-speed stick shift. She is finished in her original colour scheme of 'Sunfire Yellow' with black vinyl trim and a white hood. She also has the original wheels. It is not often that we see such an untouched authentic C2, quite a special find!
