The Canadian British Leyland Motors Ltd in Montreal supplied this incredibly authentic Triumph TR6 on the 9th December 1975. This wonderful, untouched and authentic car has only covered a distance of 37,975 miles. Despite being unrestored it has withstood the ravages of time perfectly. The fine paintwork is still the one it left the factory with! The lovely bodywork is straight with factory-fresh panel gaps. It does not matter where you inspect the car, be it in the boot space, the engine bay, the sills and underneath the mats, everything is authentic and sound. It has the not often seen 'Mimosa Yellow' finish with black vinyl interior trim and matching hood. The hood is original with stitched reflection as is the cars interior, both in fine condition. It has its original, matching numbers engine. This TR 6 has a Heritage certificate confirm all numbers and colour specifications, the original owners

manual, reserve keys and car wallet. We rarely see a TR 6 in such top quality, original condition. Words like beautiful, unique and rare spring to mind!
