Description

1965 Cadillac DeVille convertible, Sandalwood with saddle leather, 429 cubic inch V8, automatic transmission, seating for 6, power convertible top, power steering and brakes, 48,000 original miles, delivered new March 18, 1965 via Kellogg-Theiss Pontiac-Cadillac of Ridgefield, Connecticut, complete with original owner's manual, original maintenance booklet with original data plate, largely original and with the original owner for 30+ years. Drives as only an unrestored car can...solid, tight and oh so smooth. A time warp Cadillac convertible in a wonderful color combo.
