Chassis number	WP0ZZZ99ZFS1613	Exterior colour	Other
Number of seats	2	Car type	Other
Drivetrain	2wd	Engine number	SF04411
Lot number	413	Exterior brand colour	Silver

Description

The final version of the 991 Turbo offering 560bhp and 750 N.m of torque! A UK-supplied, C16-specification, right-hand drive car, finished in Carrera GT Silver with a black leather interior. Currently the property of rock legend and Jamiroquai front man Jay Kay. Originally a dealer demonstrator and consequently the options list has been very well ticked. Recent 3,500 Porsche service, which included four new tyres and a brand new windscreen. Just 5,000 miles from new and very sensibly guided. A superb opportunity with celebrity provenance. The S version is traditionally the final version of a Porsche 911 Turbo and thus signifies the ultimate development of that model. This 991 Turbo S is no exception and the car delivers no less than 560bhp and 750 N.m of torque! The car is, of course, four-wheel drive and features the Porsche 7-speed dual-clutch PDK sequential transmission allowing it to cover 0-100km/h (0-62mph) in just 3.1 seconds, although several British car magazines achieved it in just 2.6 seconds. Truly astonishing! This UK-supplied, C16-specification, right-hand drive car, finished in Carrera GT Silver with a black leather interior, is currently the property of rock legend and Jamiroquai front man Jay Kay. First registered as a dealer demonstrator on the 20th March 2015, it

didn't remain that way for long as Jay couldn't resist the car and acquired it on 13th April 2015. The car has been main Porsche dealer serviced throughout its life, in fact, it has just returned from a 3,500 Porsche service, which included four brand new tyres and also a brand new windscreen as the original one had a small motorway stone chip. So it is now 'on the button' and ready to use. The factory options fitted to the car from new are significant and comprise: Burmester high-end surround sound system Electric folding mirrors Electric glass slide/tilt sunroof Floor mats Guards Red seatbelts Heated seats Heated steering wheel Homelink ISOFIX for the passenger seat Light Design package Multi-function steering wheel Online services Porsche Entry and Drive Porsche crest embossed on headrests Porsche crest on storage lid Privacy glass Reversing camera including park assist front and rear Sideskirts painted in body colour Taillights with clear glass Vehicle key painted and Voice control Today it has covered just 5,000 miles from new and represents serious value for money against all the current similar cars offered for sale today. A superb opportunity with celebrity provenance.
