### Description

---

This 2006 Jaguar XJ8 4.2 Executive is in good running condition. The automatic gearbox shifts without problems and driving in this type of Jaguar is a true pleasure. Despite the 297hp, it is practically silent in the car. The combination of a low mileage with a reliable engine, the fact that the car runs at 12.5 at 120 km / h makes the car very attractive to drive. The car has an aluminum body. To get a good impression of the car we advise you to come to one of the viewing days.
