Description

Reduced price!

For sale is this beautiful Citroën SM in its great colour combination of bleu de bregancon metallic on the outside, combined with warm grey leather interior and blue carpets. delivered new to Italy, it spent most of its life in Sweden where it was restored over the last five years.

The body was resprayed, and a lot of effort went into the mechanics. The engine was overhauled and all the usual upgrades were carried out.

Also, the air conditioning system was changed to modern specification and the injection system that was known to be unreliable was changed to Weber carburetors. Also, a stainless steel exhaust system was placed.

Unique styling, incredible comfort, disc brakes all around and great performance because of the maserati engine all come together in this fantastic car.
