We have a superb, original Jaguar XJS 5.3 V12 convertible with just 16,875 miles on the clock. This XJS was supplied from new by the Philadelphia based Jaguar Reedman Automobiles. This unrestored car has been very well looked after and remains in a top quality condition. The fine bodywork is straight with factory-fresh panel fittings. All the chrome decorative elements are as good as new and the paintwork has a fine lustre. The superb underbody too does not disappoint and is rust-free. This Jag also has an abundance of supporting paperwork and other paraphernalia. There are many service and maintenance invoices, a complete car wallet containing service books and owner's manuals, pen, torch, Total Driving experience cassette tape and the original Jaguar cassette deck cleaner, to name

a few items. It has the original 'Glacier White' finish with 'Barley' interior trim. It also comes with many accessories including; air-con, cruise control, electrically heated and adjustable seats, electric windows and hood and a trip computer. This is a superbly well-maintained original example with a full and correct history and, of course, that very low mileage!
