## Porsche Engine for type 911 S 2.4 litres

---

Lot sold

**USD 0**  
EUR 0 (listed)

Location

Ladenburg, 30 November

### Description

---

2.4 S 911 engine, engine number 6320820, the engine was overhauled in 2017. It was renewed: main bearing, piston rod bearing, centre bearing, intermediate shaft, timing chains, slide rails, piston and cylinder renewed, valve seats worked, valve guide valves, all seals reworked, ignition system, air filter, V-belt, timing belt, injection pump overhauled, injection nozzles checked, flywheel overturned, primed and painted, engine tin blasted, all tubes and oil pipes renewed, new heat exchanger, generator overhauled. The engine was tested for half an hour. The following values were determined at warm oil pressure: 1.5 bar at 900 revolutions, 6 bar at 4000 revolutions. The engine construction is documented by photos. The engine is in a very good condition and has not been installed since the overhaul.
