Description

1956 - Citroen Traction 11 BL

Chassis n°: 670217

French registration papers

- Nice presentation
- Good mechanics
- To be sold without reserve

The copy we are presenting was put into circulation on March 22, 1956. Acquired in 2007 by its current owner, this charming 11 BL is in good general condition. It was restored in stages in the early 2000s. It received a new night blue paint in 2002 and the interior was redone in 2004 with a skaï and grey striped fabric trim. A mechanical overhaul was carried out last spring and the gearbox linkage was overhauled. Its engine works very well, at its wheel we discover a car that is pleasant to drive and has a healthy and balanced behaviour. Presented today without a reserve price, this 11 BL Traction is an opportunity to be seized!
