Description

Imagine yourself in the rally time of the 60s with this Renault 8 Major in Gordini look. This Renault 8 from year 1965 has been converted with great attention to details to a "Gordini" rally version of yesteryear. Not only in appearance, but also technically the car has been upgraded to the level of a real Gordini with a 1,397cc engine with 80hp, double Weber carburetors, spaghetti exhaust, brake discs and axles of a Gordini R8 type R1135. With this R8, the "bleu de France" paintwork, with rally stickers, immediately catches the eye. This will turn many heads on the way and provide many raised thumbs in your direction during pleasure rides or rallies. An appraisal report with a value of 40,000 euros is available (March 2019). To get a good impression of the car we advise you to come to one of the viewing days.
