
1996 Bentley Brooklands

Lot sold	USD 0 GBP 0 (listed)	Drive	RHD
Year of manufacture	1996	Condition	Used
Mileage	62 405 mi / 100 432 km	Location	
Gearbox	Automatic	Exterior colour	Other
Lot number	212	Car type	Other

Description

"The Brooklands was introduced in 1992 as a replacement for the Mulsanne and Bentley Eight models. It was intended as a slightly cheaper alternative to the Bentley Turbo R featuring the same styling, underpinnings of the Rolls-Royce 6.75 litre, V8 engine but without the more powerful model's turbocharger. The Brooklands continued Bentley's design theme which was also used on contemporary Rolls-Royce vehicles throughout the 1980's and early 1990's. The exterior design featured the classic Bentley grille as well as dual headlights with wrap-around parking lights. As with many Bentley and Rolls-Royce vehicles, the Brooklands also featured the trademark descending boot lid and chrome B-pillars. The interior remained relatively unchanged from previous Bentley models but with a more curvaceous design element surrounding the leather-wrapped centre console. Originally registered on 15th February 1996, this Bentley is finished in the delightful colour combination of Royal Blue with Parchment interior and blue piping. The condition of this Brooklands is very good, the bodywork shows no sign of corrosion and the sumptuous interior with its ample leather and walnut wood is also in good order. The 6750cc, V8 engine burst into life when requested and we are advised she drives with no known faults. Supplied with a V5C registration document together with a full years MoT test certificate and a collection of invoices. Costing in excess of £100,000 in 1996, this Brooklands offers outstanding value for money."
