- Lot sold
USD 154 - 309
EUR 150 - 300 (listed)
Year of manufacture 2014
-

Location 

- Torino, 21 November

Description

Original box From the private cellar of a Tuscan restaurateur SF: The most Chianti-esque Merlot in the world, that's what this label has always been called. And effectively it is a definition which fits it perfectly because its acidity and juiciness are high, a long way away from the rounded and powerful image we normally have of this French grape variety in Italy.
