Description

From the private collection of a successful entrepreneur SF: The greatness of Gaja's wines depends on its Barbaresco, what was considered the estate's foundation stone in the past. For many years Barbaresco lovers went straight for Sori Tildin, Costa Russi and San Lorenzo. Then Angelo succeeded masterfully in classifying his crus as Langhe, and Barbaresco benefited from this to the extent to being considered the estate's true leader now. The year 2000 was a great vintage and the wine is still young. (6 bts)
