## Description

ENGLISH

500 L or Lusso (1967—71)

In September 1968 Fiat put on sale the 500 L or Lusso (tipo 110 F/L), a more richly trimmed and better appointed version of the standard 500 F. The 500 L remained on sale until 1972, when the new Fiat 126 was introduced.

Perhaps the most obvious new feature of the 500 L were tubular guards protecting the front bumper and the corners of the rear one. As a result, the car was about 6 cm (2.4 in) longer than the 500 F at 3,025 mm (119 in)

Price: We do not give latest prices, but we are happy to listen to reasonable offers and make every effort to accept them.

Cars Exchange (Cars as part payment): Normally we cannot accept cars as part of payment, but we have many customers looking for different cars, if you send us an email to [sales@cohencars.com](mailto:sales@cohencars.com) with the information of your vehicle (car photos, copy of the registration, KMs, general condition and defects). We can add it to our database in order to offer it to our customers. We can always make an offer to buy it immediately but will be much less than the market value.

Additional Information: We work much better by Email [sales@cohencars.com](mailto:sales@cohencars.com) than by phone, but if you prefer to call us, we will be happy to assist you!
