Description

ENGLISH

In the Volkswagen T-Roc the driver's seat is eight centimetres farther from the ground than in the Golf and is driven with slightly more flexed legs. It is a comfortable and natural posture. From the driving position it is well controlled where the bodywork begins ahead.

Price: We do not give latest prices, but we are happy to listen to reasonable offers and make every effort to accept them.

Cars Exchange (Cars as part payment): Normally we cannot accept cars as part of payment, but we have many customers looking for different cars, if you send us an email to sales@cohencars.com with the information of your vehicle (car photos, copy of the registration, KMs, general condition and defects).

We can add it to our database in order to offer it to our customers. We can always make an offer to buy it immediately but will be much less than the market value.

Additional Information: We work much better by Email sales@cohencars.com than by phone, but if you prefer to call us, we will be happy to assist you!
