## Description

---

- The Viper GTS was built in 1999 by Chamberlain Motorsport and was black.
- The Viper was entered for the 24 Heures LeMans Race in 1999 with Brookspeed Motorsport (Start No. 86), driven by Clark / König / Lintott.
- First official owner was Hayles Racing but in fact supported by Chamberlain Motorsport.
- Later the car was sold to Neil Waterworth, and supported by John Griffiths Motorsports Ltd. They made a colour change from black to red.
- This Viper competed in 2001 the British GT Championship with Curtis Hayles as Car No. 62 and in November 2004 the Britcar raceday Donington Open 2 Hour Race (3 - 6 November 2004), Car number 22, Driven by: Griffin / Neil Waterworth
- Winning car of GT90's Revival Series 2008
- very fast car with nice race history
- spare part package (3 sets of rims, gearbox, etc.)
