We have a very nice 1975 Triumph TR6 available. A few years ago this car was restored and to date it is still in wonderful condition! This is a carburettor version. The fine bodywork has well-aligned panels and fine chrome details. The neat paintwork has a lovely lustre. Thanks to the dry American the underbody is totally sound and rust-free. Mechanically this TR6 is in excellent working order with a drive to match. It has been finished in red with a black vinyl interior trim and matching black soft-top. A really fine example, ready to be enjoyed right now.
