Today, the car has driven only 111,405 kilometers original and demonstrably. This is a W109 300 SEL with air conditioning, electric windows and air suspension. The car is in a super original condition. The body is beautiful and has sleek sheet metal. The bottom is original and stainless. The paintwork is beautiful, as are all chrome trim parts. Performed in its original color 'Sandbeige Metallic 467' with a black leather interior. The interior is original, well cared for and has a perfect patina, beautiful! To get a good impression of the car we advise you to come to one of the viewing days.
