### Description

BMW 635 CSI. This specimen was exported from Portugal to the Netherlands at the end of 2016 and drove 131,381 kilometers. Thanks to the dry climate, the body is flawless and rust-free. It is a well maintained and very original BMW 635 CSI. Equipped with the delicious 3453cc large six in line with 218 hp and manual (Dog-Leg) transmission. This CSI is richly equipped and has, among other things, an electric sliding & tilting roof, electric mirrors, air conditioning, BMW radio, manual transmission (Dog-Leg shift pattern) and original leather interior. The interior is beautiful and well cared for. Excellent maintained and maintained over the years. The engine was completely overhauled in 2013 and the valves have recently been reset (by the BMW dealer). The BMW was then also equipped with new Bilstein B6 shock absorbers. Even the regular / other maintenance is also up-to-date. Of course there are many invoices available. In the past, the BMW was repainted in its original color "Arktis Blau" metallic. The paintwork is very beautiful. In short, a very nice BMW 635 CSI with a low mileage and history. To get a good impression of the car we advise you to come to one of the viewing days.
