Description

Chevrolet Corvette Cabriolet from year 1968. This beloved third generation chrome bumper Corvette comes from the USA. The bodywork is tight and all fits are as they should be. The paintwork is good as well as all the chrome details. The underside is very solid, original and naturally rust-free thanks to the dry climate. Equipped with a powerful V8 engine that is linked to an automatic transmission. A true party to ride with! Air-conditioned ex-factory. Performed in the beautiful color scheme "Sunfire Yellow" with a black vinyl interior and black soft-top. Technically perfectly maintained over the years of which many invoices are available for inspection. The car is therefore in a very good working and driving condition! To get a good impression of the car we advise you to come to one of the viewing days.
