### Description

---

Super original T3. Coming from Switzerland, delivered new by AMAG Bern VW on September 23, 1987. The original service booklets, instruction booklets, on-board folder and Abgaswartungsdokument etc. are present. Mileage is only 81,293 kilometers and demonstrably original. This is the beloved and strong water-cooled 1.9 version, which is only made for the Swiss market! Bodywork is excellent, stainless and extremely original. This pick up has been used commercially by a marketing / advertising company and very well cared for. So not used by a construction company or something. To get a good impression of the car we advise you to come to one of the viewing days.
