Description

Beautiful Porsche 911 3.2 Carrera convertible. This 911 was delivered new on May 15, 1984 by the Porsche dealer in Garden Grove, California. Comes from third owner and has driven 114,458 miles. The Porsche has never been restored, but it is always well maintained, as evidenced by the stamped service booklet. The body is flawless, original and has sleek sheet metal. All fits are also excellent. The bottom is original, stainless and is in top original condition. The Porsche is executed in its original color scheme "Rubin Rot Metallic 810 M2" with a "Grau Beige" leather interior and matching black soft-top. Equipped with various options such as air conditioning, Fuchs wheels, cruise control and electric windows. Documented with original board folder incl. Service and instruction booklets. In short, a very original 911 in beautiful color. To get a good impression of the car we advise you to come to one of the viewing days.
