Description

Beautiful Mercedes Benz 500SEL. The W126, the top-class model series from Mercedes Benz. This is therefore a SEL with 5.0 V8 injection. L stands for extended (Long) version, a total of 14 cm longer than the standard version. This 500 is from Switzerland, is in a top original condition and has only driven 53,794 kilometers. Absolutely untouched and very original. The interior is fantastic, well cared for and in almost new condition. The body is beautiful, sleek and all the fittings of the sheet metal are excellent. The paintwork is good and almost original. The underside is also very good and original. A true rarity in such an original condition with such a low mileage. We never come across them as "real"! To get a good impression of the car we advise you to come to one of the viewing days.
