Description

Fantastic beautiful Aston Martin Lagonda. New to Mr. Karras delivered on December 2, 1987 in Newport Beach, California. The Lagonda was the world's first production car with a digital dashboard and only 645 were built. This is a series 2 Lagonda and is equipped with beloved 5.3 V8 engine with four Weber carburetors and more than 290 hp. This copy comes from the fourth owner and has only driven 59,833 miles. The bodywork of the car is particularly beautiful, has perfect fits and beautiful paintwork. The bottom is completely rust-free and very original. Made from red with a beautiful "Natural Tan" leather interior. The interior is completely original and has a particularly beautiful patina. The very futuristic designed car is equipped with various options including; cruise control, electric windows, air conditioning and glass roof in the back. Also equipped with its original BBS rims. The car has its original and therefore "Matching Numbers" engine. Naturally provided with a build sheet. Top unit in a very original condition with a low mileage! To get a good impression of the car we advise you to come to one of the viewing days.

This car will be part of an online auction. Classic Car Auctions organizes the annual online auction on behalf of Gallery Aaldering. This time more than 200 classic cars from the Warehouse are being
