### Description

---

Beautiful Jaguar XJ6 4.2 coupé series 2. This copy was delivered new to England in 1975 and has been in the possession of one owner for more than 30 years. All these years the car was well maintained, many invoices are available. The entire bodywork was tackled in 1992 and today it still looks perfect. The sheet metal is beautiful, sleek and all fits are as they should be. The paintwork is beautiful, just like the vinyl roof. The bottom is original, cool and completely stainless. The interior is original and has patina. More than 3 years ago the car was exported to the Netherlands and the car was fully technically perfected, many invoices are also available. The XJ is in an excellent condition and above all original condition. In short, an XJ Coupé in a unique color scheme with a beautiful history. To get a good impression of the car we advise you to come to one of the viewing days.
