		Exterior colour	Red
		Car type	Coupé

Description

French title

Chassis No 818 5400 002179

Engine 818 540 2264676

- Legendary reputation in Rallies
- A neat and high-performing example
- Eligible for the most prestigious historic racing events

This particular car is a desirable and competitive 1970 Lancia Fulvia 1600 HF "Fanalone". It has brought much joy to its highly knowledgeable owner for the past 20 years, who has enjoyed the car's performance but has not taken part in racing events. It was sold by the late Pierre Landereau who confirmed him that the car was a former Jolly Club client competition car prepared for the Group IV at the time. Our example is in good condition and has a lovely patina, its red paint was previously redone and was able to withstand the test of time.

Its mechanics was meticulously cared for in recent years, for instance with the engine's complete restoration, the installation of a larger transmission and the fitting of adjustable shock absorbers. It was also fitted with a 5-speed Fulvia 1600 Zagata gearbox which had longer gear shifts. The period rally gearbox, as well as the four group IV rims, will be included with the car. Among other accessories, it also has large brakes, a roll bar, a tripmaster, a card reader, a hydraulic handbrake

and a large capacity fuel tank. It is fitted with four Yokohama tyres in good condition and is ready to hit the road. In lovely condition overall and relatively rare to be for sale, this car and its V4 engine will make you fall in love its high performance at the most beautiful historic racing events.
