This wonderful Morgan 4/4 1600 was supplied when new by Morgan importer Nimag on the 31st 2010. With just 36,963 km on the clock it is a one-owner car. This is a late Morgan 4/4 version. The Morgan 4/4 has been on the market since 1936 and is still in production! It is a car with a great classic look matched with modern, reliable Ford technique. In fact this is the best of two worlds. The powerful 1595cc Ford Sigma engine delivers 110 Hp through a 5-speed gearbox. Weighing in at only 1000 kg it has an excellent power to weight ratio. It is an absolute joy to drive this very fast car! This Morgan has been extremely well looked after and has splendid bodywork. Every detail including the interior is as good as new. The accessory of the custom made red hard-top comes as a bonus. In

summary; an especially fine one-owner, low mileage, Morgan!
