Number of seats	2	Car type	Other
Drivetrain	2wd	Engine number	100332
Lot number	438	Exterior brand colour	Grey

Description

One owner from new and a warranted 25,432 miles indicated (atoc)Superbly presented in Grigio Alfieri with silver Trofeo wheels and red calipers 4244cc V8, 400bhp, 333lbs/ft of torque. 0-62mph in 4.9 seconds and 180mph Classic Maserati interior in Nero with Midnight Blue dial faces and that famous clock Immaculate engine bay. Recently serviced. Full service history Supplied with a UK V5c, its Maserati book pack and a current MOT Launched at the 2004 Geneva Motorshow, the GranSport was a more focused version of its predecessor, the Maserati Coupe. It featured the same delectably sonorous 4244cc V8 engine, however, a new exhaust system, improved intake manifolds, and bigger valves squeezed an extra 10bhp to bring it up to a neat, even 400bhp supported by 333lbs/ft of torque. 0-62mph occupied around 4.9 seconds and the revised aerodynamics enabled a top speed of 180mph. The six-speed paddle-shift system was also upgraded and re-calibrated resulting in faster, crisper changes and the suspension was lowered by 10mm and the geometry tweaked. Chrome mesh grilles were added to the front and rear bumpers and 19" Trofeo wheels gave the car a much more purposeful look. The interior benefited from sports seats, a slimmer centre console, carbon fibre details and a new steering wheel. Becoming increasingly tricky to find with low use, this particular 2006 Maserati GranSport V8 was delivered through H.R.Owen, London to its first

and only owner. Very tastefully specified and finished in Grigio Alfieri (metallic grey) with a Nero (black) leather interior. The original service book accompanies the car and shows three main dealer services at 4,137 miles, 13,280 miles, and 18,417 miles. Most recently, the car has been the recipient of another service at a Ferrari main dealer and it will arrive at the sale with a current MOT. Supplied with a UK V5c and its book pack, this single-owner car has covered a mere 25,432 miles at the time of cataloguing and has to be one of the best of its type currently available on the market. A high performance, luxurious Grand Tourer tastefully presented, sensibly guided, in fine order and serviced up-to-date. All that is left is to enjoy the note of that V8 on route to wherever.
